Instructions

- Mix softened cream cheese with the ranch powder, cheddar cheese, 1 Tbsp milk, and bacon until well combined. Add more milk if desired.
- Spread 1/4 of this mixture evenly on each tortilla then lay 3-4 slices of turkey breast flat on top of the cheese mixture to cover in a single layer.
- Roll the tortilla up gently, yet tightly to make sure it holds together and keeps its shape.
- Refrigerate for about 30 minutes to firm up the softened cheese. Cut off ends of tortilla roll and cut into 1-inch slices.
- Notes:
 - Do not make the ranch dressing. Use only the dry mix. 3/4 cup cooked chopped bacon is approximately 3/4 pound of raw bacon.
 - Can assemble sandwiches in advance and refrigerate covered overnight. Slice before serving.
 - Can use low-carb or gluten-free tortillas.
